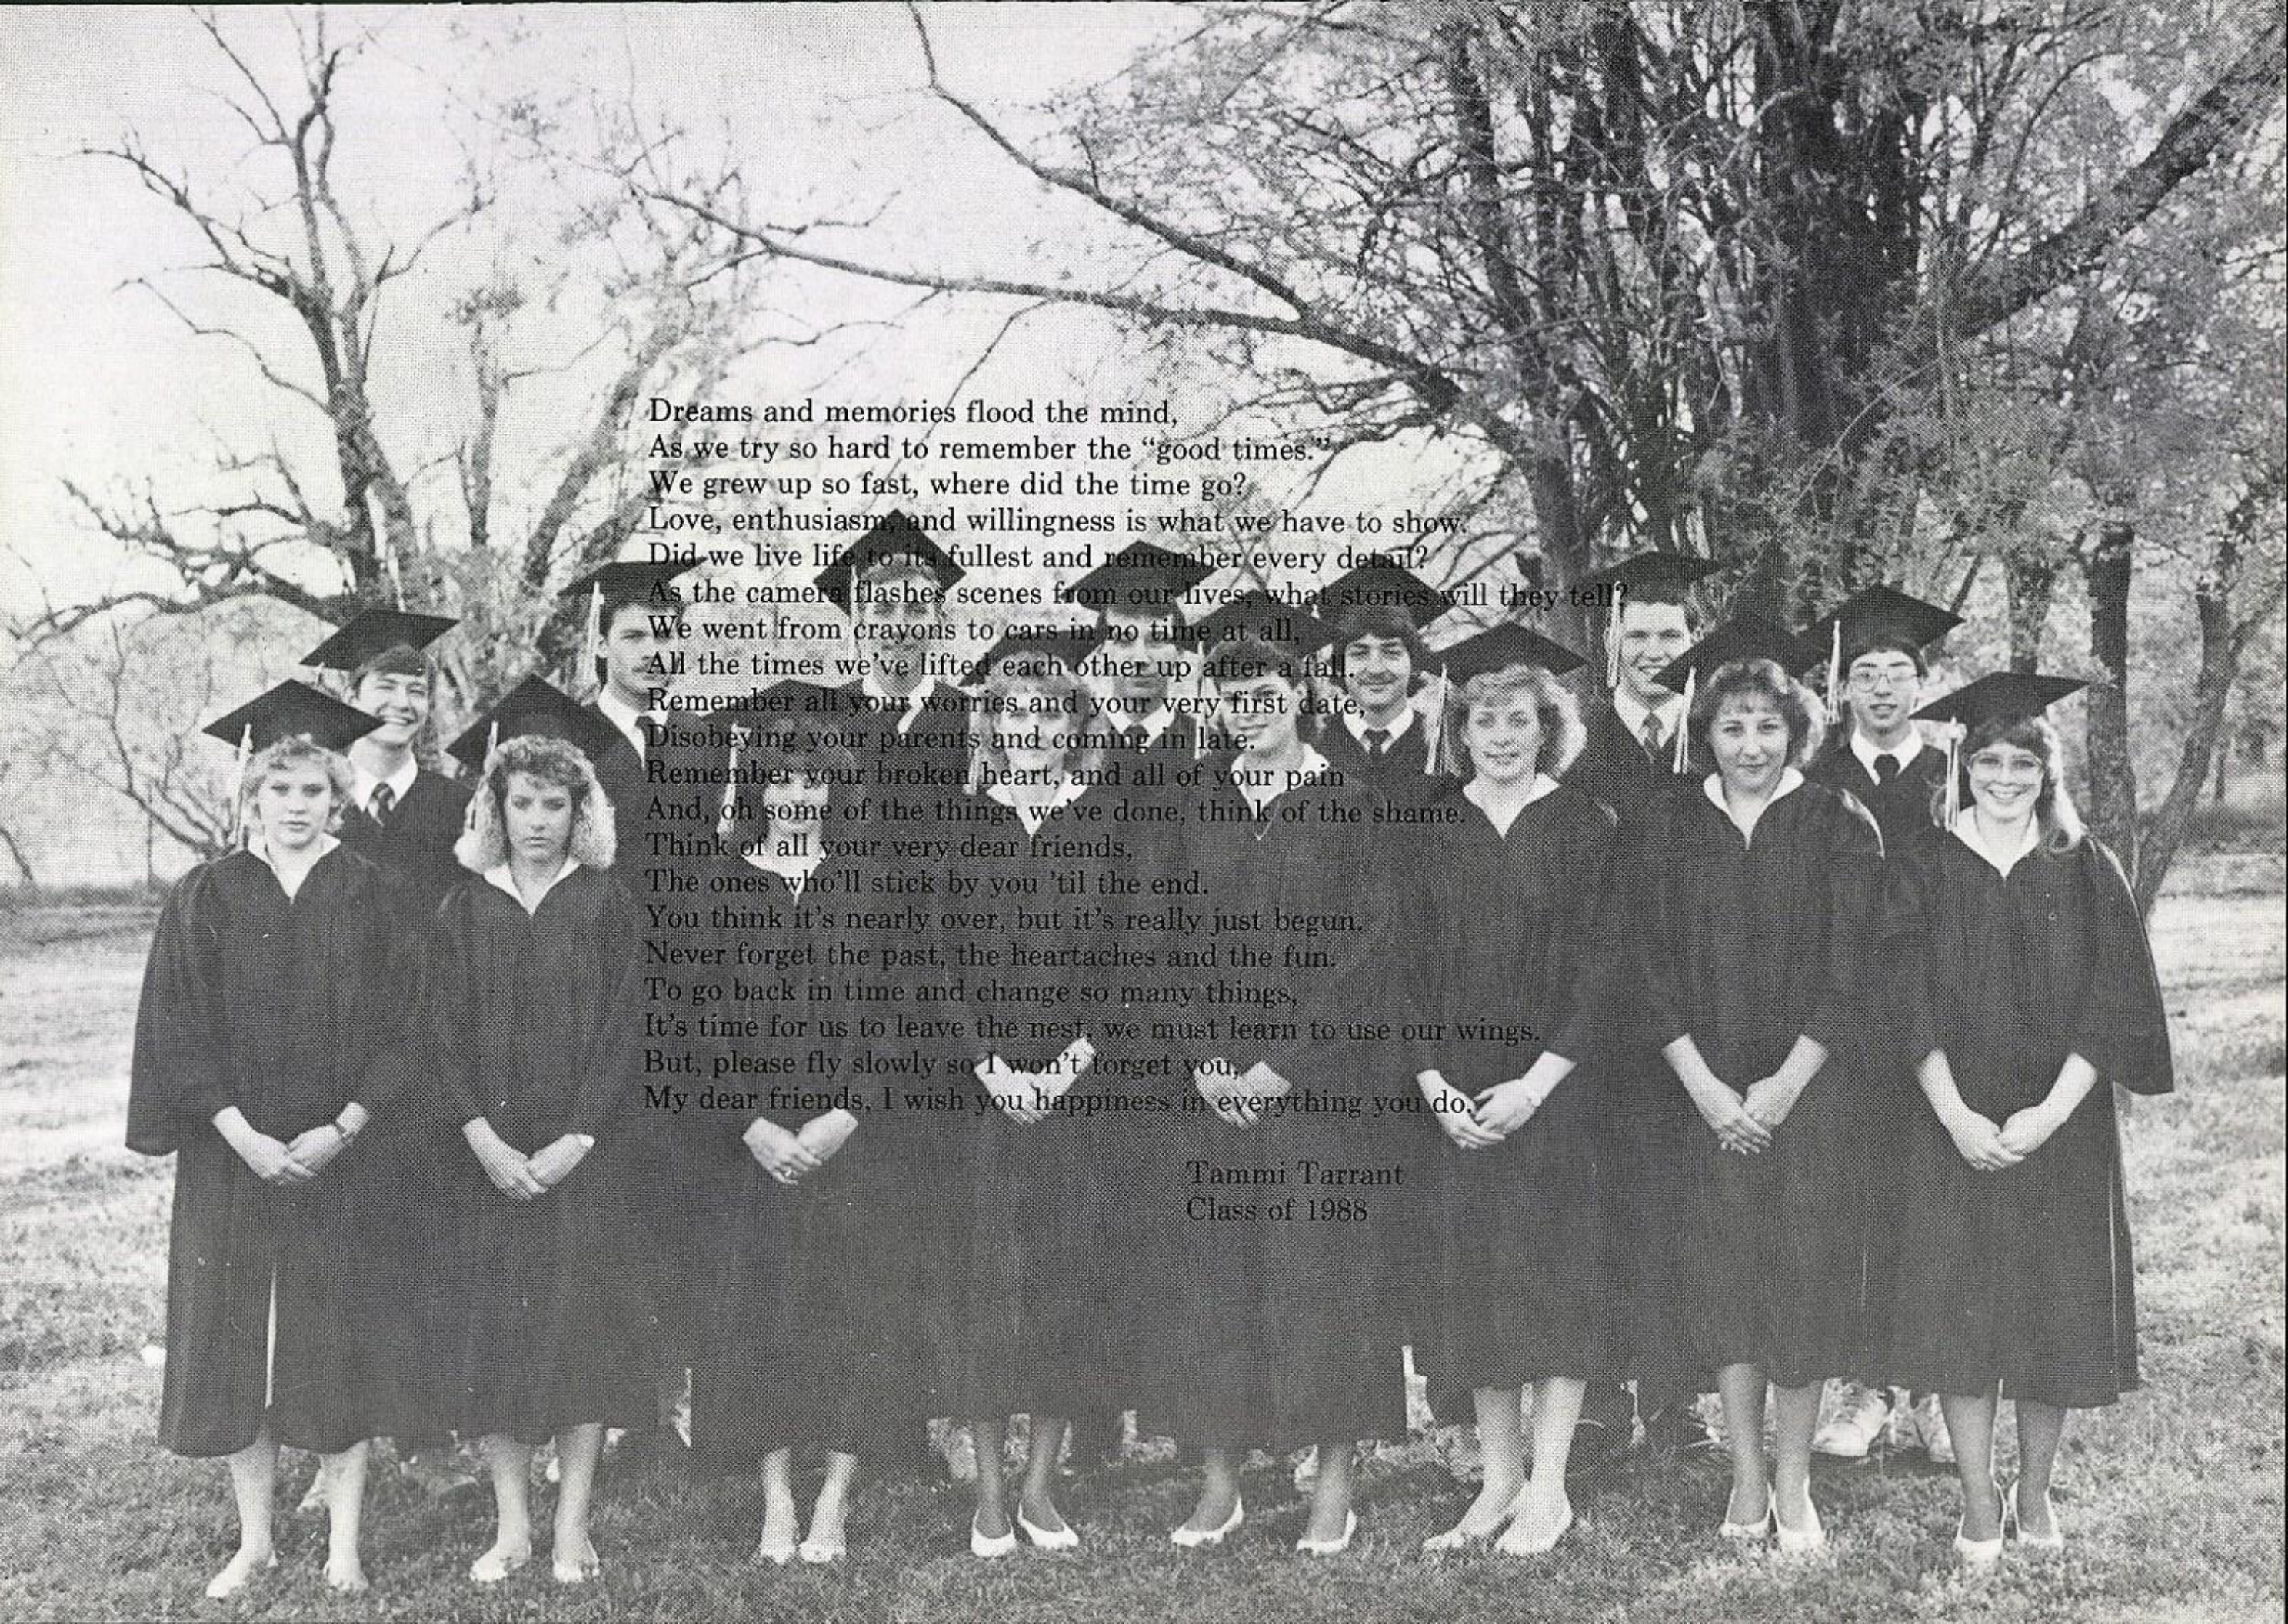
Elementary Awards Day



Dreams and memories flood the mind,
As we try so hard to remember the "good times."
We grew up so fast, where did the time go?
Love, enthusiasm, and willingness is what we have to show.
Did we live life to its fullest and remember every detail?
As the camera flashes scenes from our lives, what stories will they tell?
We went from crayons to cars in no time at all,
All the times we've lifted each other up after a fall.
Remember all your worries and your very first date,
Disobeying your parents and coming in late.
Remember your broken heart, and all of your pain
And, oh some of the things we've done, think of the shame.
Think of all your very dear friends,
The ones who'll stick by you 'til the end.
You think it's nearly over, but it's really just begun.
Never forget the past, the heartaches and the fun.
To go back in time and change so many things,
It's time for us to leave the nest, we must learn to use our wings.
But, please fly slowly so I won't forget you,
My dear friends, I wish you happiness in everything you do.

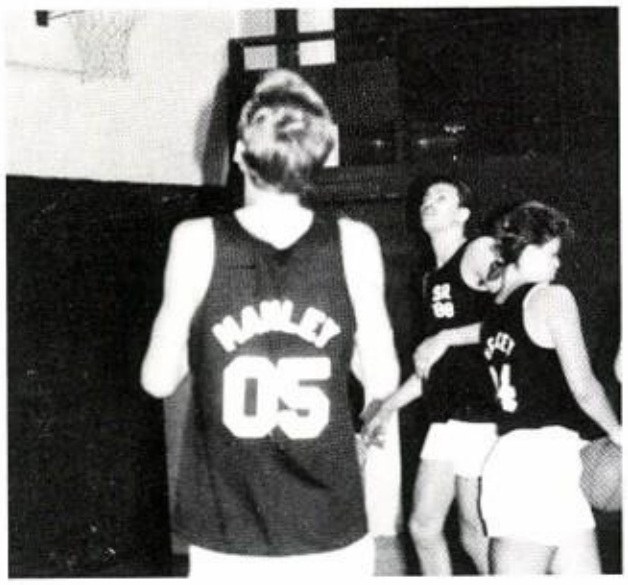
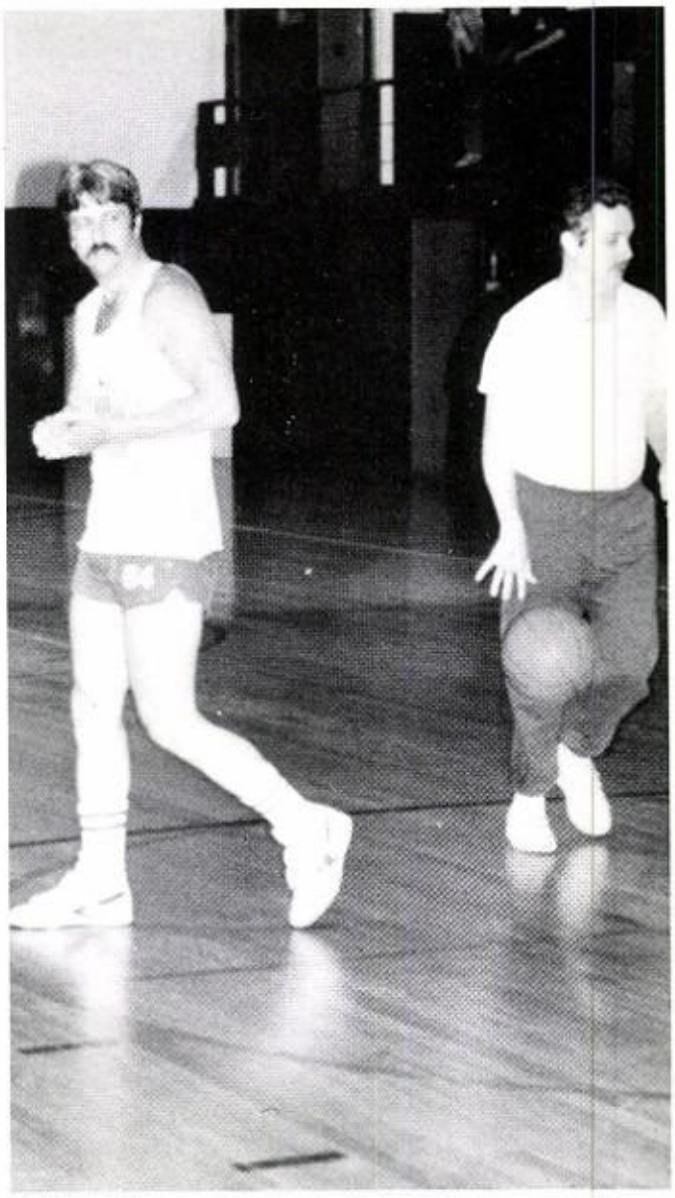
Class of 1988





The 1988 Seniors played a tough game of Basketball against the faculty, but the faculty won with a final score of 52-61. Before the event got underway, the high school girls challenged the faculty women to a game of volleyball. The challenge was great, and EVERYONE needed the exercise.

It seems that another school year has run its course. We, the Annual Staff, pause, remember, reflect back to the beginning of the year. We laugh at the timidity of the younger ones who were new to being with the "big kids." We recall the constant tension and excitement of the basketball season as the girls reached the zenith of their career thus far. We remember all of the many meetings, parties, and banquets the different organizations held. We can still feel the difficulty of going to school rather than take off a spring day, and some remember the pleasure of taking off the spring day anyway. At last, we release a deep sigh as we close yet another year at Campbell High School.
